

# THE LUX LIFE

**The Unexpected Experience**

## *A Message From Lux:*

As the days grow warmer and the flowers begin to bloom, spring reminds us of the beauty of new beginnings and fresh possibilities. It's a season where the world around us seems to come alive — vibrant colors, sweet scents, and the sound of birds singing in the air. Just like the flowers bursting into bloom, our lives, too, have the opportunity to blossom with new energy, hope, and growth.

Spring invites us to shake off the cold and step into the sunshine, to embrace the little moments that make life so joyful. Whether it's the joy of a walk in the park, the laughter shared with loved ones, or the excitement of starting something new, spring encourages us to bloom with all the possibilities that lie ahead.

So, as we watch the world around us come to life, let's take a moment to appreciate how we, too, can grow, stretch, and thrive, just like the flowers that brighten our days. Here's to the magic of spring and to the endless ways our lives can blossom! 🌸🌿

## Remembering Our Brave Heroes

**Monday, May 26th 2025**

### **Memorial Day**

Memorial Day is a day of profound remembrance and reflection. It's a time to honor the selfless men and women who made the ultimate sacrifice for our freedom. Their courage, unwavering dedication, and love for our country allow us to live in a world of peace and opportunity.

On this Memorial Day, we ask that you pause, even for just a moment, to reflect in silence for the mothers, fathers, sons, daughters, and all the cherished family members who gave everything to protect the life we hold dear. Let us never forget that their bravery, love, and sacrifice echo through the generations.

As we come together to remember, we also extend our deepest gratitude to the families who carry on without them. May this Memorial Day bring you comfort, love, and a deep sense of pride as we honor their legacy.

We are thinking of you,

Lux Offices

## Fresh and Flavorful:

As the season blooms, it's time to enjoy vibrant dishes full of fresh fruits, veggies and herbs. This recipe is all about celebrating the best of the season. Let's get cooking!

## Asparagus Pasta Salad

### Ingredients

- 1 pound pasta, cooked
- salt and pepper
- 1 pound asparagus, stems removed and cut into thirds
- 1 pint cherry tomatoes, quartered
- 4 green onions, thinly sliced
- 8 ounces white cheddar or fontina cheese, cubed
- ¼ cup chopped fresh herbs, like basil and parsley

### Honey Mustard Dressing

- ¼ cup apple cider vinegar
- 2 tablespoons honey
- 2 tablespoons dijon mustard
- 2 garlic cloves, finely minced or pressed
- salt and pepper
- 1/2 cup extra virgin olive oil

### Instructions:

- 1) Bring a pot of salted water to a boil and cook the pasta according to the directions.
- 2) Heat the olive oil in a skillet over medium heat. Add the asparagus with a pinch of salt and pepper. Cook, tossing often, until the asparagus is bright green in color and slightly softened, then turn off the heat.
- 3) In a large bowl, combine the cooked pasta, the asparagus, tomatoes, green onions and cheddar cheese. Pour in the dressing and toss well to combine. Stir in the fresh herbs.
- 4) You can store this in the fridge now until serving, or you can serve it immediately. It will last in the fridge for 2 to 3 days. If you are making it a day or so ahead of time, I suggest tossing in the fresh herbs right before serving.

Enjoy!

# Chocolate-Dipped Frozen Banana Bites

- 3) Place chocolate chips in a microwave-safe bowl and microwave on High until melted (1 to 1.5 minutes total). Dip half of each frozen banana bite in the chocolate. Let stand until the chocolate is set. If not serving immediately, return to the freezer.
